

LID COLLECTION

ONLY

What lids can we collect?

YES

NO

Please make sure all lids are CLEAN with GLUE, STICKERS, and INSERTS removed.

How You Can Help

- Collect lids at home, work or in the community
- Remove ALL inserts and stickers
- Ensure lids are well-cleaned
 - Lids are sorted by individuals who may be immunocompromised so clean lids are a MUST!!
- Sort by polymer and colour
 - Fees apply for dirty, unsorted lids

LID COLLECTION POINT

What lids can we collect?

YES

NO

Please make sure all lids are CLEAN with GLUE, STICKERS, and INSERTS removed.

Remember  HDPE and  LDPE **only**

You can check under the lid.

THANK YOU FOR COLLECTING

Your plastic lids will be re-manufactured into meaningful products saving them from landfill.

LID COLLECTION POINT

Who We Are

- Not-for-profit organisation
- 100% volunteer-lead and run
- Mission: To inspire change through education to reduce our reliance on single-use virgin plastics.
- Driven by a future free from single-use plastic (SUP)
- Diverse community of all backgrounds and ages including aged care and disability
- 'Working Together for a Sustainable Now'

What We Do

- Educate and provide hands-on experiences recycling plastic lids
- Rescue plastic lids destined for landfill and our environment
- Remanufacture rescued lids into meaningful and purposeful products
- Work with disadvantaged community groups to enhance our work and improve their wellbeing

How You Can Help

- Collect lids at home, work or in the community
- Remove ALL inserts and stickers
- Ensure lids are well-cleaned
 - Lids are sorted by individuals who may be immunocompromised so clean lids are a MUST!!
- Sort by polymer, 2 & 4 and colour
- Arrange a time to bring them to RRC
